Alaska Indoor Gardening Curriculum Lesson Evaluation

Lesson Title: __________________________________________________________________________________________________________

Evaluator: __________________________________________________________________________________________________________

Grade/Subject Taught: __________________________

Help us improve this lesson by evaluating essential quality learning components: 

This lesson meets the science standards that I am required to teach to my level of students:

1. Specifies how the learning targets will be demonstrated and under what conditions. Does not meet
   Partially meets  Meets goal
2. Clearly identifies the core content and idea for the lesson. Does not meet
   Partially meets  Meets goal
3. Includes appropriate goals for the lesson. Does not meet
   Partially meets  Meets goal
4. The lesson is cross-curricular. Does not meet
   Partially meets  Meets goal
5. The lesson matches the grade span indicated. Does not meet
   Partially meets  Meets goal
6. The time estimate provided is accurate. Does not meet
   Partially meets  Meets goal
7. The lesson acknowledges students prior knowledge and continues to build towards future educational goals on this topic. Does not meet
   Partially meets  Meets goal
8. Clearly explains the procedure in easy to follow steps. Does not meet
   Partially meets  Meets goal

This lesson increased my students achievement and helped me meet their learning goals:

1. Is learner-centered and inclusive of all learners. Does not meet
   Partially meets  Meets goal
2. I was satisfied with the opportunities my students had to explore STEM concepts. Does not meet
   Partially meets  Meets goal
3. Is multi-sensory. Does not meet
   Partially meets  Meets goal
4. Includes flexible individual, small group, and large group instruction. Does not meet
   Partially meets  Meets goal
