

# Alaska Agriculture in the Classroom Indoor Gardening Workshop 2018

**Course Dates:** Friday, October 5th 6:00pm - 9:00pm and Saturday, October 6 and Sunday, October 7th from 9am - 5pm

**Course Description:** This course introduces teachers to the Alaska Ag in the Classroom's Alaska Indoor Gardening Curriculum. It focuses on interdisciplinary methods including STEM to teach simple, inexpensive, but effective techniques for indoor gardening in classrooms. This course includes visits to local indoor farms and agriculture based businesses to provide hands-on opportunities with the Alaska Agriculture community. The course offers supplemental, differentiated, challenging curriculum and instruction for regular education, resource and gifted students.

**Location:** Fairbanks Soil and Water Conservation District Office 590 University Ave Suite #2

**Cost:** \$190 1 credit available

**Instructors:** Mandii Macomber and Melissa Sikes

**Course Title:** Practical Indoor Gardening Techniques for Alaska Classrooms

**Course #'s:** ED F593-F01 CRN 77993  
or NRM F593-F01 CRN 77994
