FAIRBANKS SOIL & WATER CONSERVATION DISTRICT

Bud Blast and Cabbagehead Sampling Protocol and Datasheet

Instructions for Sampling for Bud Blast and Cabbagehead

1. Decide if sampling across variety or patch.
2. Randomly select number of plants for variety/patch. (Use 'Number of Sample Plants' & 'Random Number Generator' Tabs)
3. Use seasonal flags to mark individual plants that will be sampled over the course of the season.
4. Monitor ID'd plants for bud blast.

Date	***Plant ID***	***Variety***	***Total # Blasts***	***Plant Condition Notes***
6/30/2024	1	*Sarah Bernhardt*	2	*Plant leaves are slightly curled, may need water.*
